### Alcoholic Liquor Fund

The State of Kansas, in KSA 79-41a04, creates an Alcoholic Liquor Fund, and prescribes how those moneys are to be distributed back to local units of government. For cities with population greater than 6,000 (Garden City fits that category) the law sets forth that 1/3 of the money be credited to the general fund, 1/3 be credited to a special parks and recreation fund, and 1/3 to a special alcohol and drug programs fund in the city treasury. Moneys in such special funds shall be under the direction and control of the Board of County Commissioners.
