COVID-19 TESTING CENTER OPENS AT FINNEY COUNTY FAIRGROUNDS

(FINNEY COUNTY, KS) – In a partnership with Finney County and the State of Kansas, GoGetTested set up a mobile test site at the Finney County Fairgrounds, 209 Lake Ave. (by the Charles Peebles Complex) to offer **FREE**, FDA-approved COVID-19 testing beginning Monday, November 23, 2020.

Testing is **FREE OF CHARGE** and available to anyone, regardless of insurance or county of residence. The site will be open Monday-Friday, 9:00 AM-6:00 PM and Saturday 10:00 AM-5:00 PM. Testing will not take place Thanksgiving Day.

All tests are by appointment only. Individuals can schedule an appointment for their COVID-19 test online at www.GoGetTested.com, and complete the oral swab test in minutes at the mobile test site. Results are available within 48 hours on average, and delivered via text or email.

"This is a tremendous opportunity for Finney County to have increased accessibility of COVID-19 testing to help us test, track, and respond to its prevalence within our community," said Colleen Drees, Finney County Health Department Director. "We are grateful for the support of KDHE in this endeavor and are looking forward to a partnership with WellHealth."

GoGetTested is the first end-to-end COVID-19 testing and results management solution in the country. "It is our mission to help as many people as possible find easy, accessible COVID-19 testing sites and deliver quick, accurate results," said WellHealth CEO Ahmad Gaber, one of the founding partners of GoGetTested. "As the COVID-19 pandemic continues, we will continue working with community leaders like those in Finney County, to help keep their residents safe."

For more information on scheduling a test, visit www.gogettested.com.

About GoGetTested
GoGetTested is the first national, digitally enabled Covid Response Operating System in the country with an end-to-end test scheduling and resulting management platform. Its complete COVID-19 testing experience will help keep the nation's communities and economies open and safe. GoGetTested was founded as a unique public-private consortium of government, clinical, technology, lab, research and retail partners, including The consortium—which includes Precision Primary Care startup WellHealth, PE-backed Lab HealthTrackRx, event-management company Victory Marketing, inventory and warehouse management company Lead Commerce, and Silicon Valley-based healthcare fintech startup Wellpay. Its Covid-19 response units ensure geographical reach to rural areas and fast activation in virus hotspots. Testing is free for anyone and provides the most complete, adaptive and secure testing services nationwide.
